FPP Research Presented in Maine

Pine Tree Burn Foundation 19th Conference a Success

FPP's Nancy Trench was the keynote speaker at the Pine Tree Burn Foundation's 19th annual conference in Bar Harbor, ME which ran from October 19-20, 2007. Her keynote address was entitled "Fire and Life Safety in the US, a Look at Our History." □ Nancy also presented research findings in an educational session regarding fire safety education for young children.
